Executive's Message

We welcome all parents and players to another exciting Outdoor program. The program will run from June 1, 2026 through till September 16, 2026.

We have been serving the community for the past 9 years. Our goal is to promote the game of soccer and try to keep these young players off the streets and from being in front of a television set.

All players with average abilities will be given a chance to participate in our Development Program that is put together by the Technical Director.

Special Notes:

1. All players must wear shin guards and outdoor soccer shoes.
2. Any cancellation of registration will subject to a \$150 administration fee.
3. If a child has asthma please let your coach know that their puffer is with them at all times.
